Summer Assignment

Parts 1 and 2

The goal of this assignment is to begin to recognize physical features and locations in order to build background knowledge for areas that we will discuss throughout this school year.

You will create a series of maps, please follow all of the directions as you work through this guide. Map #1 will ONLY be Physical Features. (The World Map)

Locate the following on the map provided; you will label each country, body of water, city and region listed below. You are also required to mark and label the capitals of all of these countries listed below.

Due date will be the first day of school
