From the Principal's Desk

Dear Parents and Students,

Welcome to the 2022-2023 school year at River City Science Academy, the first "A" graded charter school in the county! This new school year means a new beginning and new futures. The administrative team is excited about this coming school year, and the staff at River City Science Academy is caring, competent, dedicated and willing to assist you. We are working very hard to provide the best possible learning climate for our students.

We believe that education is a shared responsibility, and that the successful operation of a school depends on the cooperation of everyone concerned: students, parents, and staff. The goal of the River City Science Academy is to create a partnership among the members of this triad. Each of us is responsible for doing our part to make our school a place where we can work and be productive together in harmony.

River City Science Academy is a reflection of all of us. All of our policies are intended to provide a safe and orderly environment that will be conducive to learning. Our faculty and staff look forward to sharing their expertise in academics, special programs, and extracurricular activities. We encourage you to get to know your school, its programs, activities, and schedule. Become an active participant in our school. Get involved through classes, clubs, and activities.

This handbook is an overview of our school's mission, guidelines, and services. It is an essential reference book describing what we expect and how we do things. Read it carefully, discuss it with your family, and let it act as a guide for your effective involvement in all parts of the school. It has been written to provide students and parents with the information that will make this year purposeful and rewarding in every aspect. When you are finished reviewing this handbook, please sign, date and return the Family Contracts indicating your understanding and acceptance of its contents. Keep this handbook because you will use this information throughout the school year.

On behalf of the entire River City Science Academy staff and community, best wishes for a great 2022-2023 school year.

Absences and Tardiness

RCSA recognizes two kinds of absences and tardiness: excused and un-excused. Please read through the definitions of each carefully so that you understand what you and your parents' or guardians' responsibilities are. Also, you need to be very aware of your responsibilities regarding home-work, quizzes, and tests when you have an excused absence and the consequences for unexcused absences.

Excused Absences

RCSA accepts only the following as excusable reasons for absence from school. **Parents or guardians must notify the school in the morning on any day their child is not attending.** Students returning to school from an absence are required to present a written explanatory excuse from their parent(s) or legal guardian stating the cause for the absence. The excuse shall be submitted to the school office and filed as part of the student's school record. An excuse for absence from school may be approved for one or more of the following reasons or conditions:

Personal Illness: Personal illness of the student or when attendance in school would endanger the health of the student or the health of others is excused. A physician's note or appropriate medical documentation is needed when (1) the student has been absent for 3 or more consecutive days, (2) has had surgery, (3) is returning to school after hospitalization, (4) has been under the doctor's care for a significant illness, or (5) is returning to school after being excluded because of a communicable disease.

Serious Illness or Death in the Family: Serious illness or death in student's immediate family necessitating the absence is excused. In the case of serious illness, students are required to present medical documentation to validate the absence(s) as an excused absence within three days of the student's return to school. Your parent or guardian must call the office to explain the situation and estimated time of absence. When you return to school, you must bring an explanatory note from your parent/guardian or doctor.

Legal Requirements: Court order by a governmental agency mandating the student's absence from school is excused. Your parent or guardian must call the office to explain the situation and estimated time of absence. When you return to school, you must bring a copy of the court order documentation.

Special or Recognized Religious Holidays: Special or recognized religious holidays observed by the faith of the student are excused. Your parent or guardian must call the office to explain the situation and estimated time of absence. When you return to school, you must bring an explanatory note from your parent/guardian.

Weather or Environmental Conditions: Weather or environmental conditions rendering attendance impossible or hazardous to the student's health or safety may be excused. Your parent or guardian must call the office to explain the situation and estimated time of absence. When you return to school, you must bring an explanatory note from your parent/guardian.

Financial, Transportation or Other Conditions: The Principal has the discretion to determine if other absences are excused.

Unexcused Absences

An unexcused absence is a part of a student's school record. Students will be marked for an unexcused absence for:

Failure to Attend School: Failure to attend school, with or without the knowledge of the parent/legal guardian, for reasons other than those specifically outlined as excused absences will be considered unexcused absences.

Out of School Suspension (OSS): School days missed as a result of an out of school suspension shall not be counted as unexcused for the purpose of determining truancy. RCSA allows students who miss school for an out of school suspension to make up any work missed (refer to the section Make-up Work for Excused Absences).

AIT (Attendance Intervention Team): Should a parent/guardian sign a contract with the AIT, attendance will be strictly enforced.

Make-up Work for Absences – Excused or unexcused

- An excused or unexcused absence from school, even for several days, does not remove any student from responsibilities in the classroom on the day they return to school. Students who have been absent will be given the same number of days that they were absent to make up missed work. For an absence to be excused, a note should be submitted to the school office no later than two days after returning to school.

- Assignments are available on RCSA Connect and are available 24 hours a day – should a student be absent for any reason, they should access this information via the Internet. Parents may call or e-mail teachers or the Front Office asking for assignments if it is not posted online. Any assignment not listed, or work material needed for an assignment, may be requested by the student when they return from their absence.
- **Also, on the day the student returns to school, it is the student's responsibility during the absence to review RCSA connect website and complete all missing assignments. Failure to do this may result in a zero for each of those assignments.**
- For students who have been absent, make-up tests will be scheduled at a time designated by the teacher. It is the students' responsibility to take the test at that time. If the student fails to do this, the teacher is not obligated to set another time for the make-up.

School Tardy

A student is tardy when he/she arrives at school after the beginning of the official school day, or is not in the assigned class at the official beginning of the class period. Students who are eligible for bus transportation and ride the bus to school will not be considered tardy when the bus arrives late to school.

Excused Tardy: Late arrival to school as a result of reasons defined herein as excused absences or as a result of events physically out of one's control such as inclement weather, documented transportation delays, health related emergencies, power outage, or compliance with a court order shall be considered an excused tardy if the sign-in procedure is followed. Students who are transported to school in vehicles other than school buses and arrive late to school must have their parent(s)/guardian(s) come into the school office to sign the student in as tardy, and provide the reason for the tardiness. For carpools arriving late, the driver responsible for the carpool that day must come into the school office and sign in each student as tardy, and provide the reason for the tardiness. Once the student(s) have been properly signed in, they will get a "late slip" for admittance to class.

Unexcused Tardy: Arriving late to school with or without the knowledge of parent/guardian, as a result of reasons such as oversleeping, missing the bus, car problems, traffic, baby-sitting, athletic workouts, or socializing, is considered unexcused. If the sign-in procedure is not followed the student(s) will be marked as unexcused tardy regardless of the reason for the tardiness.

Habitual School Tardy: Students who are unexcused tardy more than five (5) times in a calendar month or ten (10) times in a 90 calendar day period will be referred to the school social worker.

Class Tardy

Students are given four minutes of passing time to get to each class during the course of the school day [with the ringing of a warning bell at the end of three minutes of passing time]. Students are expected to be **sitting** in their assigned seats when the class bell rings or else they will be considered **tardy**. Students will be marked tardy if they are late within the first five minutes of class. If a student has checked in late through the Front Office, the student should have an admit slip to class from the Front Office. Repetitive tardiness will result in student receiving disciplinary consequence based on the Minor Violation Discipline Cycle (See pg. 19).

LOCKOUTS- random lockouts will be conducted to decrease tardiness to class. During a lockout, students will receive an automatic conduct point for tardiness.

Class Cuts/Skipping

A class cut occurs when a student is absent from class for more than 5 minutes without permission from the teacher or authorization from the office to do so.

Students who become ill or need to see a counselor or administrator during class time should first report to class, obtain permission to be excused and obtain a written pass from the teacher. If a student is too ill to report to the office, he/she should have another person notify the office at once, in order that appropriate attention may be given to the student.

Early Checkouts

- Being removed from classes and leaving the school prior to the official end of the school day with a parent or legal guardian is considered an early checkout. A photo ID is required to check a student out of school. Only those persons who have been previously approved by the parent(s)/guardian(s), and officially recorded on the student's records at school will be allowed to check out a student.
- Students need to be checked out 30 minutes before dismissal. Students **will not be called out of class within the last 30 minutes of the school day.**
- To be considered "in attendance" for a school day, a student must be present for at least one-half of the school day, excluding the lunch period. Students leaving school before meeting that requirement will be considered absent for the day.
- A parent or legal guardian must bring appropriate documentation showing the necessity of an early checkout at the time the student is released from school.

Truancy

If a student has at least five unexcused absences, or absences for which the reasons are unknown, within a calendar month, or 10 unexcused absences, or absences for which the reasons are unknown, within a 90-calendar day period, the student's primary teacher shall report the student's attendance to the principal. The principal shall, unless there is clear evidence that the absences are not a pattern of non-attendance, refer the case to the school level Attendance Intervention Team (AIT).

The AIT will schedule a meeting with the parents or legal guardian and a representative of the district attendance office. If appropriate, a contract will be developed and signed by the participating parties. If the contract is violated, the case may be referred to the State Attorney's office.

River City Science Academy

Code of Student Conduct

It is our belief that good discipline is one of the cornerstones of a good education, and that to ensure good discipline a close, cooperative relationship must exist between the home and the school. It is our goal to provide close communication with parents at the onset of discipline problems, so that together we can find alternatives for students, and they can experience success in relationships at home and school.

For this discipline program to be successful, students must make choices for themselves and **be responsible for their own behavior as well as for their academic performance.** Students who make poor choices cannot, and should not, place blame on the environment, parents, the school, and/or peers. All persons, involved in committing, planning, participating, helping, advising, encouraging, or benefiting in the violation of a rule or code of conduct **are parties to the violation.** While the school will help students develop good decision-making skills, ultimately, the future is determined by each student's own actions. The procedures in the discipline program will be followed in a fair and consistent manner.

All RCSA policies and expectations are applicable in all virtual learning courses and students must adhere to our school's Code of Conduct during all computer-based learning and distance education (if required).

RESPONSIBILITY FOR INDIVIDUAL ACTIONS OR CHOICES

It is expected that every individual will accept responsibility for his/her own actions, whether intentional or unintentional.

Students at RCSA are always expected to exhibit appropriate behavior. However, in an effort to encourage students to go beyond the expected behavior, students will be recognized for “doing good”. Some examples are, but not limited to:

- Assisting someone in need
- Volunteering to do an unwanted task
- Cleaning up after others
- Consistently having a cooperative spirit
- Exceeding requirements on an assigned task or assignment

School – Wide Rewards

A system of rewards to students who reach a documented level of behavior has been put in place to recognize those students for their achievement. Eligibility for participating in each of these rewards differs for each reward – some are based on receiving Rocket Rewards for meeting or exceeding expectations. Some of the School-Wide Rewards will be, but are not limited to:

- **Dress Down Days:** Eligible students for a Dress Down Day will be announced by the administration based on individual disciplinary record. Participating students must follow the RCSA guidelines listed under the section Dress Code.
- **Lunch Outside for a Quarter**
- **Lunch with a Teacher/Dean**
- **Rocket Reward Menu (posted around school)**

CLASSIFICATIONS OF VIOLATIONS

Violations of the Code of Student Conduct are grouped into four classes:

- **Minor Class I (Conduct Point System)**
- **Intermediate Class II (Referrals)**
- **Major Class III (Referrals)**
- **Zero Tolerance Class IV (Referrals)**

Each classification is followed by a disciplinary procedure that is to be implemented by the principal/designee. It is understood that when a violation of the Code occurs, the student's explanation shall be heard by the principal/designee before determining the classification of the violation. The principal or designee will review each case individually before assigning consequences.

Classroom teachers will address general classroom disruptions by taking appropriate in-class disciplinary actions. These include, but are not limited to, personal calls to parents, parent/teacher conferences, referral to a guidance counselor, etc. A detailed classroom management plan is described in classroom management guidelines section of student-parent handbook. If such measures do not deter disruption, a disciplinary referral is appropriate. (Failure to bring notebook, pencil, books, required materials and equipment to class, or failure to work in class, are not cause for disciplinary referrals.)

**** Neither RCSA employees nor the Governing Board assumes any liability for the intentional or unintentional harm caused by any student to another individual or his/her possessions.***

RCSA has as its goal to help every student fulfill his/her intellectual, social, physical and emotional potential. Everything in and about the school has been designed to create an orderly and distraction-free environment in which all students can learn effectively and pleasantly. To foster this kind of learning environment, the RCSA administrators and teachers shall not allow inappropriate, distractive, or disorderly behaviors to occur during school, on school property, or at any school-sponsored activities. **Students who continuously disregard the code of conduct may be recommended to the Duval County School Board Hearing Office for alternative placement or for expulsion.**

Our ultimate goal is to develop in students a sense of responsibility and self-discipline. Firm but fair is the basis for this system-wide discipline program. Guidelines are provided in order to foster mutual respect and cooperation within the school setting. RCSA takes seriously its responsibility to educate its students in a safe school where they are free from fear of harm or intimidation. **Weapons, drugs and gang activity will not be tolerated.** Students who violate RCSA rules or State laws related to these offenses, will be **suspended** and/or **recommended** to the Duval County School Board for placement in an alternative school or expulsion from school. Violators will also be **reported to police and may be arrested.** **These rules apply to all students at school or school-sponsored activities, including field trips and on buses, athletic fields, stadiums, parking lots, official school bus stops, and other sites used for school-sponsored activities.**

NOTE I: Repeated violations of the Code of Student Conduct in school and/or on the school bus will be considered willful disobedience and/or open defiance of authority, resulting in possible suspension or expulsion from school and/or the school bus for the remainder of the school year or a specific period of time. Students may also be referred to Hearing Office for alternative placement.

NOTE II: There shall be no type of hazing during any district sponsored event, club, organization, or class within the school or off campus. Hazing shall be defined as any action or situation for the purpose of initiation or admission into or affiliation with any organization operating under the sanction of the school which recklessly or intentionally endangers a student's mental or physical health or safety. Acts of hazing shall be addressed and will result in the appropriate consequence being administered in accordance with the Code.

NOTE III: Federal and state laws grant individuals reasonable expectations of privacy and freedom from unreasonable search and seizure of property. Such guarantees are not unlimited and must be balanced by the school's responsibility to protect the health, safety and welfare of all students. Students may be subject to search of person or property if a reasonable suspicion exists.

that the student may have violated the Code of Student Conduct or state or federal law. Be advised that, upon reasonable suspicion, student lockers and other storage areas (including, but not limited to, motor vehicles, book bags, pocketbooks, notebooks, pockets, etc.) may be searched. Additionally, RCSA school personnel are permitted to conduct administrative random searches for unauthorized materials and other contraband absent reasonable suspicion. Administrative searches shall be carried out with a neutral plan (classrooms will be selected randomly) for execution and in the least intrusive manner. Schools are permitted to use metal detectors/wands to assist in this effort. If a lawfully conducted search yields illegal, unauthorized, or contraband materials, such materials shall be turned over to the proper legal authorities for ultimate disposition. If illegal, unauthorized, or contraband materials are discovered through the search, appropriate discipline action will be taken by RCSA in accordance with the Student Code of Conduct.

NOTE IV: *Be advised that students will be held responsible for prohibited items in their personal control, such as items located in vehicles, book bags, clothing or items belonging to someone else.*

NOTE V. *Technology-based infractions may result in a suspension of network and/or Internet access. Alternative instructional materials may be provided.*

NOTE VI: *Bus riding is a privilege, which may be revoked. Misconduct by any student while riding a school bus represents a serious threat to the safety of all occupants of the bus as well as other motorists, pedestrians, and members of the community. Parents are urged to discuss with their children appropriate school bus conduct in order to ensure bus safety. All students who misbehave while riding the school bus will be disciplined according to the Code of Student Conduct. A bus suspension is separate from a school suspension and applies only to the loss of bus riding privileges unless subject to other disciplinary actions, such as out-of-school suspension. Students are required to attend school. Bus suspension does not affect or excuse school attendance.*

NOTE VII: *A student may be required to obtain counseling and/or attend a recognized treatment program at parental expense and show proof of completion of such counseling or program. Such offenses may include, but are not limited to, substance abuse, stalking, threats, intimidation, harassment, or acts motivated by hate or bias. Programs include, but are not limited to, Student Option for Success (SOS), Night Substance Abuse Program, Nicotine, Tobacco, Vaping Course (NTV), and Teen Court.*

NOTE VIII: A senior student who commits a Class III or IV violation, described in the Code of Student Conduct, shall forfeit the right to participate in graduation exercises and other senior related activities until the student has successfully completed all assigned consequences and disciplinary actions.

RCSA regarding assignment to alternative centers shall apply to students who commit a Class III or Class IV violation.

NOTE IX: A student who willfully damages school property, a school bus, or bus equipment shall be properly disciplined. The parent(s) or legal guardian of a minor student (or the student, if he/she is an adult) shall reimburse the owner of the bus for restoration or for replacement of any damaged school property in accordance with the true value as determined by the appropriate administrative staff. Students who damage school property, a school bus or bus equipment shall be subject to disciplinary action according to the Code of Student Conduct.

NOTE X: The Duval County School Board may expel a student from school based on grounds specified in the Codes of Student Conduct. "Expulsion" means the removal of the right and obligation of a student to attend a public school under conditions set by the district school board, and for a period of time not to exceed the remainder of the term or school year and 1 additional year of attendance. Expulsions may be imposed with or without continuing educational services and shall be reported accordingly. The Duval County School Board has the sole authority to expel students pursuant to Florida Statute 1006.07.

NOTE XI: Cyberstalking as defined in s. 784.048(1)(d), F.S., means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose.

Cyberbullying is defined as the willful and repeated harassment and intimidation of a person through the use of digital technologies, including, but not limited to, e-mail, blogs, social websites (e.g., Facebook, Instagram, Twitter, Snapchat), chat rooms, instant and text messaging, and cell phone technologies.

Students will not use school equipment or networks to engage in cyberbullying or cyberstalking including, but not limited to, the posting of harassing messages on the internet, social networking sites, or other digital technologies, which may include social cruelty, direct threats, or other language or expression unprotected by law. Cyberbullying or cyberstalking may also include breaking into another person's account and assuming that person's identity in order to damage that person's reputation or friendships.

NOTE XII: ANTI-BULLYING POLICY: Pursuant to Florida Statute 1006.14, it is the policy of the RCSA that all of its students and school employees have an educational setting that is safe, secure, and free from harassment and bullying of any kind. Accordingly, RCSA will not tolerate bullying or harassment against any student, employee, visitor, volunteer or agent who works on school-related activities, subject to the control of school officials. This policy shall be interpreted and applied consistently with all applicable state and federal law and employee col-

lective bargaining agreements. Conduct that constitutes bullying and harassment, as defined herein, is prohibited. RCSA prohibits bullying or harassment of any student or school employee, volunteer or agent:

- During any education program or activity conducted by RCSA***
- During any school-related or school-sponsored program or activity or on a school bus***
- Through the use of data or computer software that is accessed***

through a computer, computer system, or computer net

work of RCSA. The physical location or time of access of a

computer-related incident cannot be raised as a defense in any disciplinary action.

Reporting an Incident of Discrimination/Harassment/Complaint Procedure

1.Notification of Appropriate Staff

RCSA strongly encourages individuals who believe they are being discriminated or harassed to promptly notify the offender that his or her behavior is unwelcome. Notifying the offender, however, is not a required first step. If, for any reason, an individual does not wish to confront the offender directly, such a confrontation does not successfully end the harassment, or if the offender retaliates against the individual, the individual is encouraged, within sixty (60) days of the alleged incident, to notify either the Executive Director or any School Administrator, Department Head, Team Leader or Board Member with whom the individual feels comfortable discussing the matter. Students may also report such conduct to any teacher that they feel comfortable discussing the matter with.

Any RCSA staff member who becomes aware of any discrimination or harassment, or who has reason to believe discrimination or harassment is taking place, must immediately report the conduct to the appropriate person. All complaints should be forwarded to the principal, or, if the complaint concerns the Principal, to the Executive Director, or, if the complaint concerns the Executive Director, to any Board Member. Those employees in a supervisory role have a special duty to report discrimination or harassment even if it involves someone outside their area of responsibility.

2. Investigatory Process

RCSA will complete a thorough and impartial investigation of any complaint of discrimination or harassment within twenty (20) days of receipt of the complaint. The investigation will be conducted by the Principal or his or her designee, or, if the complaint is against the Principal, by the Executive Director or his or her designee, or, if the complaint is against the Executive Director, by the Board or the Board's designee.

The investigation may include individual interviews with the complaining employee, the offender involved and, where necessary, with individuals who may have observed the alleged conduct or may have relevant knowledge. The complaint and investigation will be handled with sensitivity and, to the extent practical and appropriate under the circumstances, confidentiality will be maintained throughout the investigatory process. The findings from the investigation must be detailed in a written report.

3. Decision

Within ten (10) days following the conclusion of the investigation, either the Principal, Executive Director or the Board, depending on which party conducted the investigation per Section 2 above, will issue a written decision on the matter. The complainant and the person alleged to have committed the conduct must promptly be informed of the decision. The decision of the Principal, Executive Director or Board shall be final.

4. Protection Against Retaliation

RCSA will not tolerate retaliation against an individual for reporting discrimination or harassment or assisting in providing information relevant to a claim of sexual or any other harassment. Retaliation is a serious violation of this policy and will be treated with the same strict discipline as would the harassment itself. Acts of retaliation should be reported immediately in accordance with these procedures and will be promptly investigated.

5. Responsive Action

Misconduct constituting discrimination or harassment will be dealt with appropriately. Responsive action may include, for example, training, referral to counseling, and disciplinary actions such as warnings, reprimands, withholding of a promotion or pay increase, reassignment, temporary suspension without pay, compensation adjustments, or termination, as RCSA may believe is appropriate under the circumstances. Students who are found to have engaged in discriminatory or harassing conduct will be disciplined in accordance with RCSA's Code of Conduct. Any conduct that is deemed criminal will be reported to the appropriate law enforcement agency.

Students' violations will be recorded by the teachers or other staff by help of a computerized Conduct Log system. **Conduct points** can be given anywhere in the school by any school employee. Parents and students will have online access to the recorded information at RCSA-Connect. Conduct points are cumulative throughout each quarter. Administration will review the recorded Conduct Log weekly and assign consequences as follows:

MAJOR VIOLATIONS DISCIPLINE CYCLE

Major violations (Class II-IV) of the student code of conduct result in a **Disciplinary Referral Form**. The Disciplinary Referral Forms are **investigated, and consequences are assigned by the administrator and discipline committee**. Parents are notified of the consequences by either phone call, notice letter sent by student, or US mail. Assignments of consequences are progressive. **In general, each disciplinary referral advances the student to the next step in the Major Violation Discipline Cycle and violations may have higher consequences if committed at a higher cycle step.**

Consequence ranges on the Major Violation Discipline Cycle cover most of the major violations. However, it cannot cover all possible examples for violating the listed offenses. Therefore, the school administration may impose consequences that are not listed if warranted by individual circumstances. **Any item that is deemed unsafe, inappropriate, or hazardous to persons or property may be confiscated by school personnel.** Offenses not covered by the Discipline Cycle are handled by the school administration in accordance with federal and state laws in a manner consistent with the Charter Schools Act. Also, at the discretion of administration heavier or lighter consequences may be assigned if warranted by individual circumstances.

If restitution is not received for bus damages, the student's riding privilege may be revoked.

Disciplinary Action School Bus Offenses

Formal Disciplinary Actions & Procedures

Definitions Relating to Formal Disciplinary Actions

The following are examples of formal disciplinary actions that may or may not be used in the school. Students and parents/guardians who desire to have further information about the disciplinary actions used the school should contact officials at RCSA.

- **Alternative Schools and Programs:** Schools and programs developed by the School Board for placement of students who have violated the Code of Student Conduct may be offered these voluntary programs, in special circumstances in lieu of other disciplinary actions. Such schools and programs include, but are not limited to, the Alternative Education Centers, the Substance Prevention Program (nighttime program), Night-time Nicotine, Tobacco, and Vaping class, Teen Court, and the Students Option for Success Program (nighttime program). Parent participation is required for all of these options.
- **Before/After School Detention:** Assignment to a designated area on campus at the beginning or end of the regular school day for a specified period of time.
- **Behavioral Contracts:** A contract entered into between a teacher or administrator and a student and his/her parent/guardian in which all parties agree to certain actions in an attempt to modify a student's behavior. The contract shall also contain consequences for breaking the agreement.
- **Cafeteria Suspension:** Denial of the privilege of eating meals in the cafeteria with other students for a specified period of time and assignment to another area in the school for meals.
- **Class Suspension:** Denial of the privilege of attending an individual class for a specified period of time and assignment to another area in the school for the time that class meets.
- **(Disciplinary) Work Assignments:** Supervised activities related to the upkeep and maintenance of school facilities.
- **Expulsion:** Removal of the right and obligation of a student to attend a public school under conditions set by the School Board for a period of time not to exceed the remainder of the school year and one (1) additional year of attendance.
 - The DCPS Board may expel a student from school based on grounds specified in the Code of Student Conduct. "Expulsion" means the removal of the right and obligation of a student to attend a public school under conditions set by the district school board, and for a period of time not to exceed the remainder of the term or school year and one (1) additional year of attendance. Expulsions may be imposed with or without continuing educational services and shall be reported accordingly. The School Board

has the sole authority to expel students pursuant to Florida Statute 1006.07.

- **In-School Suspension (ISS):** Assignment to a designated area within the school when a student is removed from the regular school program for a specified period of time.
- **Intervention Referral:** Teachers and staff may refer a student for intervention services like Guidance, character education, mental health counseling, etc.
- **Network/Internet Suspension:** Certain technology-based infractions may result in a suspension of network and/or Internet access. Alternative instructional materials may be provided.
- **Night-time Substance Use Prevention Counseling Education Program:** The Night-time Substance Use Prevention Counseling Education Program is an alternative program available to students who have committed a 3.00 (Alcohol) or 3.01 (Drugs) violation against the Code of Student Conduct. Parental participation is required.
- **Out-of-School Suspension:** Out of School Suspension (OSS) is a formal disciplinary action that can only be assigned by the principal or designee and requires notice sent to parents via phone, e-mail, with student, or US mail. The notice will include the students' conduct, school rule(s) violated, and the number of days the student is suspended. This requirement does not preclude administration from contacting parents by phone and assigning an immediate suspension when deemed necessary. Leaving a message at the phone number recorded in the school file will be considered sufficient notification. Parents will also receive the notice sent home with the student. A meeting between a parent and an administrator may be required prior to the return of the student serving an out-of-school suspension. However, failure of the parent to attend the conference does not preclude the student's readmission to the school. All students under out-of-school suspension are prohibited from participating in after school activities and therefore are not allowed to come on the school campus. Students who receive an out-of-school suspension will not be able to participate on any overnight field trips for the rest of the school year. Removal of students from their regular school program for a period **not to exceed ten (10) days**. Pursuant to Florida Statute 1006.09, no student who is required by law to attend shall be suspended for unexcused tardiness, absence or truancy. Therefore, suspension is not an appropriate disciplinary action for Code violation 1.05 and 1.10, as it relates to students who fall within the mandatory state attendance requirements.
- **Option to Withdraw:** A student may withdraw without penalty from a charter school at any time and enroll in another local school in the school district in which the student resides according to the Charter School Act. A student who is suspended or expelled from a charter school as a result of a disciplinary action taken by a charter school shall be entitled to enroll in a local school within the local school system in which the student resides if, under the disciplinary policy of the local school system, such student would not have been subject to suspension or expulsion.

In such instances, the local school system shall not be required to independently verify the nature or occurrence of the applicable conduct, or any evidence relating thereto.

- **Restorative Practices:** Restorative practices give students the opportunity to be reflective and learn to make better choices. These strategies include a Letter of Apology, Behavior Reflection, Adult-Led Mediation, payment of Restitution, mini-lessons with the Dean/Counselor, etc.
- **Saturday Detention:** Assignment to a session at the school on Saturday for work assignments, academic work, or guidance.
- **Saturday School:** Saturday school is designed to promote timeliness and good school attendance. Saturday School hours are in discretion of school administration.
- **School Board Hearing Officer:** Designee of the Superintendent who holds a disciplinary hearing with the parent/guardian in the event that resolution is not achieved at the school level.
- **School Board Hearing:** Hearing by the School Board with the parent/guardian and School Board staff where staff and parent/guardian are given the opportunity to speak before the Board.
- **School Bus Suspension or Revocation:** Denial of the privilege of riding a school bus based on misconduct occurring while the student is being transported at public expense. Bus code violations may result in the suspension of bus privileges. A student may be suspended or expelled from riding the bus at any point in the discipline process. A bus suspension is separate from a school suspension and applies only to the loss of bus riding privileges unless subject to other disciplinary actions, such as out-of-school suspension. Students are required to attend school. Bus suspension does not affect or excuse school attendance.
- **Withholding of Privileges:** The student may be denied an opportunity to partake in school-related activities and/or events as deemed appropriate by the principal or designee.
- **Zero Tolerance Policy:** Students who commit the following offenses will automatically be referred to the Disciplinary Committee for an expulsion hearing: issuing a bomb threat; participation of a gang organization; distribution, sale, or attempted sale of alcohol or controlled substances (drugs, i.e. marijuana, etc.) or counterfeit drugs; distribution, sale, or attempted sale of controlled paraphernalia (pipes, papers, etc.); use of alcohol or a controlled substance at the school premises or school sponsored events; arson; repeated offenses of bullying or sexual harassment or misconduct; assault or battery of a school employee, assault or battery to a student at the discretion of the administration; possession of a deadly weapon; and the use of dangerous weapons to threaten, intimidate or injure.

Cheating and Plagiarism

The dictionary defines plagiarism as "taking ideas or writings from another person and offering them as your own." The student, who leads readers to believe that what they are reading is the student's original work, when it is not, is guilty of plagiarism. Credit should always be given to the person who created the words or idea. Contact RCSA's media specialist or **www.educationcentral.org/intech/** for more details. Unless it is otherwise stated, assume that all materials on the Internet, including Web sites and graphics, are copyrighted, and that existing copyright guidelines, such as those involving photocopying, electronic copying, multimedia, and fair use, apply. Students using computers and the Internet should be aware of what is and is not allowed as it pertains to software, multimedia productions, and Web publishing. Contact the school's media specialist or **www.educationcentral.org/intech/** for more details.

Disciplinary Actions for Safe and Acceptable Use of Computers and the Internet
Possible consequences for violations of the RCSA use of computers and Internet policies include, but are not limited to:

- Suspension of Internet access
- Suspension of RCSA network privileges
- Suspension of computer access
- Disciplinary actions as outlined in the Code of Student Conduct
- School suspension and/or expulsion
- Appropriate legal action, civil and/or criminal

Appropriate Behavior

Students are responsible for appropriate behavior when using DCPS or RCSA computers, electronic equipment network and the Internet just as they are in classrooms, school premises, and at school sponsored events. Students who disregard the guidelines for acceptable and safe use of computers and the internet and/or district controls may have his/her privilege suspended and disciplinary action taken against them.

General Behavior Guidelines Outside of the Classroom

It is expected that every individual will accept responsibility for his/her own actions, whether intentional or unintentional.

REWARD SYSTEM

Students at RCSA are always expected to exhibit appropriate behavior. However, in an effort to encourage students to go beyond the expected behavior, students will be recognized for "doing good". Some examples are, but not limited to:

- Assisting someone in need
- Volunteering to do an unwanted task
- Cleaning up after others
- Consistently having a cooperative spirit
- Exceeding requirements on an assigned task or assignment

Citizenship Award

Individual rewards will be planned for the end of each semester for RCSA students. Those students who have not received conduct points, lunch detentions, or Disciplinary Referrals during each semester will receive a Citizenship Award for excellence in behavior.

Rocket Rewards

Rocket Rewards will be awarded to students who are observed exhibiting behavior "above and beyond" expected behavior. Any RCSA employee who observes a student engaged in this type of exceptional behavior can issue a Rocket Reward. These Commendations will not be noted on a student's permanent discipline transcript. Students can use these rewards to redeem for positive learning opportunities.

School – Wide Rewards

A system of rewards to students who reach a documented level of behavior has been put in place to recognize those students for their achievement. Eligibility for participating in each of these rewards differs for each reward – some are based on receiving Rocket Rewards, others are based on good behavior. Some of the School-Wide Rewards will be, but are not limited to:

- **Dress Down Days:** Eligible students for a Dress Down Day will be announced by the administration based on individual disciplinary record. Participating students must follow the RCSA guidelines listed under the section Dress Code.
- **Student of the month/quarter:** Student will be selected by teachers and administration based on their academics or behavior.

Rights & Responsibilities

Parent/Guardian Rights and Responsibilities

It is the intent of the RCSA, as expressed in the **Parent/Guardian Rights and Responsibilities** section of this document that parents/guardians must ensure that their child understands his/her individual rights and responsibilities to school district employees and fellow students as they work together toward a common goal of learning. It is the parents'/guardians' responsibility to ensure that their child maintains regular communication between home and school. When either parents/guardians or school employees deem it necessary to meet regarding concerns about the student's education or a disciplinary matter, the student, parent/guardian has a right to be represented by an attorney of his/her choice throughout the process.

Due Process & Students' Responsibilities and Rights

All students at RCSA are entitled to the rights guaranteed by the United States Constitution and Bill of Rights, and their rights will not knowingly be denied by the required code of conduct or by any disciplinary actions taken by the school. Any student, who exhibits any of the unacceptable student behaviors or Conduct

Violations listed in this handbook, or added to this list at a later date, will suffer immediate consequences. These consequences range from notification of parents, isolation, detention, and emergency removal from a school activity, to suspension, expulsion, and criminal prosecution. In all instances, RCSA's policies and procedures governing due process for suspensions and expulsions will follow Florida Education Law. All students at RCSA have the right to feel physically, emotionally, and intellectually safe. Therefore, if at any time you feel you are the subject of harassment, hazing, threats, or other intimidating behavior, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible. All reports like this will be kept completely confidential.

Similarly, if you are concerned about the safety of a student who seems to be the subject of harassment, hazing, or threats, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible, and reports will be kept completely confidential.

Pursuant to HB 7029, a student can be excused to participate in reciting the pledge including standing and placing the right hand over his or her heart upon written request by his or her parent. Unexcused students must show full respect to the flag.

Grading System & Reporting

Students receive quarterly progress reports throughout the semester. Final grades for core academic courses are received at the end of the semester (end of 18th week). Parents should contact their child's teacher if there are any questions concerning grades recorded or information contained on the child's report card. The RCSA Governing Board, in compliance with State Standards, approves the grading scale. Grades are reported numerically on all progress reports and report cards. Any grade below 70 is failing.

Grading Scale

Letter Grade	% Average	Points	Comments
A	90-100%	4	Outstanding
B	80-89%	3	Above Average
C	70-79%	2	Average
D	60-69%	1	Lowest Acceptable
F	<59%	0	Failing to make progress
I	Course not completed		
W	Student Withdrawn		

Homework Policy

Homework is an essential part of your successful educational program at RCSA. Doing homework will help students develop many valuable skills such as good study habits, time management, responsibility, and perseverance. Teachers assign homework that will foster individual learning and growth and that is appropriate for the subject area. Homework is part of all students' regular evaluations. It is each student's responsibility to complete and turn in homework on time – if it is not, a grade of zero (0) will be given. In case of conflict regarding homework assignments the teacher's record is final. If students or their parents have questions about homework, immediately contact the teacher who assigned it. Teacher's e-mail is available and daily assignments are posted on RCSA Connect at our web site: www.rivercityscience.org.

Recognition

Students are recognized on a regular basis and rewarded for accomplishments.

- Principal's Honor Roll - students achieving straight A's on quarter report cards
- Honor Roll - students achieving all A's and B's on quarter report cards

Calculations are carried out up to one decimal point, and standard rounding rules are applied.

Schedule Changes

Each student's schedule is carefully planned and developed based on the student's academic history and demonstrated abilities. Modifications to the student's schedule may be made if requested within the first two weeks of the beginning of the school year. Any requests made after this time may be deemed as disruptive to the regular routine already established, and therefore, may not be honored. The final decision will be made by the administration. Please check your student's schedule carefully during the first week of school to ensure the best placement for your student.

Textbooks

Textbooks for pupils are furnished by RCSA. Restitution for lost and/or damaged textbooks or related materials and supplies will be required BEFORE a second text or additional materials will be made available to a student.

Students who owe money for lost or damaged texts or materials will be permitted to use a text during classroom instruction; however, they will not be permitted to take the text or materials home for homework purposes. Report cards may also be withheld until textbooks fees are collected.

Note: Student's who report to class without their textbook (or workbook) as required will be given a conduct point. If it is determined that the textbook is lost, the student will be sent to the Dean of Students who will give the student the price of the book. The student is expected to pay for the lost textbook/workbook the next day. Should the student not pay for the book the next day, he/she will be given another conduct point for each additional occurrence.

Lockers

Each student will be assigned a locker for his/her individual use at RCSA. This locker is for storing books, coats, and personal items necessary for school.

Students should not bring valuable items from home. RCSA will not be liable for personal items you leave in your locker or bring to school with you. To keep your school items safe, we strongly advise you to keep your locker combination and space private. Do not trade lockers with another student. Do not let another student share your locker. It is your responsibility to see that your locker is kept locked and in order at all times. You should report any damage, vandalism or the inoperable condition of your locker to the office. If you do not report vandalism, damage or the inoperable condition of your locker, you will be held responsible for it. Please remember that your locker is school property and remains at all times under the control of the school. You, however, have full responsibility for the security of your locker and what is in it. School officials may make inspections. No item considered dangerous by the administration may be kept in the lockers and will be removed if found there. **Students attending RCSA should not expect privacy in regard to the contents of their lockers, desks, or other school property.**

Due to the small size of RCSA's lockers, book bags must be small enough to fit within the locker. Backpacks are not permitted in the classrooms, so they must be kept in their lockers throughout the day.

General Code of Appearance

Middle & High School Dress Code

Students are expected to wear the RCSA uniform at all times and to dress and groom themselves in such a way as to reflect neatness, cleanliness and safety. All students should dress appropriately so as not to disrupt or interfere with the educational program or the orderly operation of the school. The principal or other duly authorized school official shall determine whether any particular mode of dress, grooming and accessories is in violation of the spirit and/or the intent of the school's dress code policy. Students and parents are expected to honor the uniform code in order that valuable school time is not spent examining student attire to determine appropriateness. **Students are not permitted to change out of their uniforms during or after school or in the bus unless participating in P.E. or an after school activity that requires non uniform clothing.**

Students who violate the uniform code will be allowed to call home for an appropriate change of clothing after obtaining administrator approval. General Information

Health & Safety

911 Emergencies

In event of a medical emergency RCSA will call the EMT unit and all medical decisions will be the responsibility of the parents.

Injury or Illness at School:

A student who becomes ill or injured while at school will be taken to the front office where every effort will be made to see that he/she is comfortable. Office personnel or a volunteer will contact the student's parent if the student needs to go home or medical attention is required. Parents will be asked to pick their children up when;

- A student has a fever
- A student looks pale, red eyes, hunched over with cramps and generally shows signs of the flu or severe cold.
- A student has vomited, had diarrhea or complaining of continuous stomach aches.
- A student is complaining of continuous strong headaches.
- The office is unable to make the student comfortable after resting for a period of time.

Per DCPS health code, students need to remain home for a minimum of twenty-four hours following a fever or nausea. A child who suddenly develops a headache, chill, fever, vomiting spell, or other signs of illness in the morning should be kept home. It is important that we have updated emergency numbers and individuals on file in the school so we are able to reach an adult to pick up the student.

Medication Policy:

Medication should not be brought to school unless it is essential to the health of the student. If a student must take medicine at school, these procedures must be followed:

The medication to be administered by designated school personnel must be sent directly from the pharmacy or physician's office or brought to school by the student's parent/guardian. The school must receive a Medication Permission Form signed by the student's physician and parent/guardian.

The following information must be printed clearly on the medication container:

- Student's Name
- Name of the medication
- Dosage
- Time the medication must be taken

Bring in only the amount of medication that is needed for a school day. In the case of prolonged need, send in the amount for a clearly specified period such as one week or one month. Extra medication will not be sent home with a student. All medication will be kept in a secure location in the office.

Over-the-Counter Medications

Aspirin, Tylenol, and other patient over-the-counter drugs are not available through school. Should you wish for your child to have access to these medications, you must sign a waiver and leave a supply with the school office.

Self-Administration of Medication

As a general rule, students are not allowed to carry any medication with them in school. However, students may carry and administer their medication if both of the following conditions are met:

- It is warranted by a potentially life-threatening condition and advised by their physician **AND**
- A Medication Self-Administration Form is on file in the office signed by the student's parent, the physician, and the principal.

Direct Contact Communicable Diseases

RCSA seeks to provide a safe educational environment for students and staff. RCSA is also committed to assuring the confidential status of individuals who may have been diagnosed with a blood-borne communicable disease. Student instruction will be developmentally appropriate. This can be best accomplished by assuring that all persons within the school community understand the method of transmission and prevention of disease that are not contracted through air-borne pathogens, but rather, through direct contact with body fluids and excretions, especially blood, vomit, feces, or urine.

For purposes of this policy, these diseases shall include:

- A. HIV (human immunodeficiency virus)
- B. AIDS (acquired immune deficiency syndrome)
- C. AIDS related complex (condition)
- D. HAV, HBV, HCV (Hepatitis A,B,C)
- E. Other diseases that may be specified by the State Department of Health as contact communicable diseases.

RCSA wants to assure that students or staff who reveals the fact they have contracted one of these diseases will have their status safeguarded in accordance with Federal and State statutes dealing with confidentiality and that their civil rights will be respected.

Announcements

Official announcements are provided on our web site - www.rivercity-science.org - and in our newsletter. As a common practice, announcements made by the administration, which affect the school community, are made through these two communication devices. RSCA encourages parent(s)/guardian(s) to check our website on a regular (daily) basis. The Governing Board, Administration, Teachers and Staff at RSCA are dedicated to keeping our community informed.

EARLY CHECKOUTS / DROP OFFS

Being removed from classes and leaving the school prior to the official end of the school day with a parent or legal guardian is considered an early checkout. A photo ID is required to check a student out of school. Only those persons who have been previously approved by the parent(s)/guardian(s), and officially recorded on the student's records at school will be allowed to check out a student. Students may be dropped off not earlier than 7:35 AM. RSCA will not take any responsibility for early drop offs. Students will be allowed to enter into the building at 7:35 AM. There is no early check out for the last 30 minutes before dismissal.

RESPONSIBILITY FOR INDIVIDUAL ACTIONS OR CHOICES

It is expected that every individual will accept responsibility for his/her own actions, whether intentional or unintentional. Often harm caused to other persons or their possessions is unintentional, or the result of careless behavior. This, however, does not excuse or diminish the personal responsibility of the student (and/or his/her parent/guardian) to make appropriate restitution. When known and verified by an administrator, any harm caused to another will be reported to parents. Neither RSCA, its employees, nor the Governing Board, assumes any liability for the intentional or unintentional harm caused by any student to another individual or his/her possessions.

RSCA has as its goal to help every student fulfill his/her intellectual, social, physical and emotional potential. Everything in and about the school has been designed to create an orderly and distraction-free environment in which all students can learn effectively and pleasantly. To foster this kind of learning environment, the RSCA administrators and teachers shall not allow inappropriate, distractive, or disorderly behaviors to occur during school, on school property, or at any school sponsored activities. Students who continuously disregard the code of conduct may be recommended to Alternative School.

Our ultimate goal is to develop in students a sense of responsibility and self-discipline. Firm but fair is the basis for this system wide discipline program. Guidelines are provided in order to foster mutual respect and cooperation within the school setting. RCSA takes seriously its responsibility to educate its students in a safe and drug free school where they are free from fear of harm or intimidation. Weapons, drugs and gang activity will not be tolerated.

Students, who violate RCSA rules, or State laws related to these offenses, will be suspended or expelled from school. Violators will also be reported to police and may be arrested. These rules apply to all students at school or school-sponsored activities, including field trips and on buses, athletic fields, stadiums, parking lots, official school bus stops, and other sites used for school-sponsored activities.

After School Activities

- A number of extracurricular clubs and/or enrichment activities are offered for students. Nominal fees may be charged for participation in order to cover the cost of materials, supplies and/or other expenses. There is no better way for students to enrich their education than by taking part in clubs and after-school activities or through working with a teacher. These opportunities will allow you to explore things you already enjoy and to try other areas that sound interesting.
- In order to participate in any after school extra-curricular activity, including music performances, plays, etc., students must arrive in time to be counted present during the school day. Students serving suspension may not participate in after school activities on the day(s) the suspension(s) is served.

Students staying for after school activities will be expected to follow the following rules or they may be banned from all after school activities:

- You may not stay after school to wait for another student.
- You must be with a teacher or other staff member at all times.
- You must abide by the RCSA Code of Conduct while participating in the activity.
- Your school activity privileges will be cancelled if discipline becomes a problem.
- You must clear the school building immediately following after school activities by using the front door.
- You must arrange for your own transportation to arrive promptly at the end of the activity.
- If your event is on an early release day you must go home and come back at the time the event starts.
- Signing up for after school activities is required for each semester in order to be eligible to participate. If student does not have any after school club or activity should report to study hall for after school care.

Extended Day Program

The extended day program, is established by Boys and Girls Club only. Acceptance to the program is application based for students in 6th-8th grade.

Hours: 3:00 pm to 7:00 pm

Communications Between School & Home

Every effort will be made to ensure good communication between the home and the school. Parents may communicate directly with the school's staff members via e-mail, voice mail, written request, or by accessing the school's web page. A softcopy of the newsletter will be sent home weekly and monthly via e-mail announcing upcoming school activities and events.

CELLULAR TELEPHONES/ELECTRONIC DEVICES

- Students are permitted to bring cell phones to school, however it is not encouraged. Cell phones must be turned "off," placed in their lockers and may not be used or displayed openly inside the school building during regular school hours (7:50 am to 3:00 pm).
- If a student is scheduled for an after school activity (clubs, tutoring et al.), cell phone shall be kept "off" until such activity is over. The policy applies to any type of cell phone use: voice calls, text messages, e-mail, web browsing, photographs, videos, et al.
- This rule applies (but is not limited to) other electronic devices such as digital cameras (except with prior approval by staff for school use) iPhones, iPads, bluetooth speakers, Airpods, headphones, earbuds, VR Headsets.
- Students who are found in possession of a cellular telephone (or other electronic device listed above) shall have the item confiscated by RCSA staff, and will be returned directly and only to the parent/guardian. If a parent/guardian cannot pick it up, the item may also be shipped to a home address, provided that the shipping charges are pre-paid by the parent. At no time shall RCSA be responsible for theft, loss or damage to cell phones or other electronic devices brought onto its property.

Field Trips

- Field Trips offer exciting ways to learn.
- RCSA students will have the opportunity to go on field trips at various times throughout the school year. Grade level and/or team sponsored day field trips are offered to most students.
- Students who have been absent 15% of the school year may not attend the field trip. (For example, if the field trip is on school day 60, any student who has 9 or more **unexcused** absences cannot attend the field trip.)
- Students, who have received out-of-school suspension (OSS) for more than 3 days during the school semester, will not be eligible to participate in any field trips for the rest of the school year and any fees or deposits paid earlier are non-refundable.
- In addition, any student who has demonstrated the inability to follow rules may be prohibited from participating; this determination will be made by the administration on an individual basis.
- For non-educational field trips, students must have no Fs in the current quarter to attend.
- Any fees or deposits paid earlier are nonrefundable.

For all field trips, you will be expected to follow these rules:

- You must abide by the RCSA Code of Conduct and Discipline Plan while on the field trip.
- You must follow the RCSA Dress Code, unless otherwise specified.
- You must bring to school the Field Trip Permission Slip, signed by your parents or guardian, by the specified date.
- If a student is in danger of failing and/or has absentee issues, they may not be allowed to participate in field trips. If money is paid up front it will not be reimbursed.
- Parents make sure to check the food policy for the trip. RCSA will not be responsible for providing lunch during field trip activities.

Lunch/Nutrition Program

Students may purchase a nutritional lunch in the school cafeteria or may bring their lunch from home. The cost for student lunch is announced at the beginning of the school year and can be paid for minimum 10 days. Students needing free or reduced lunch should contact the front office. Students may not place an order for delivery or ask staff members to place an order for delivery.

School Pictures

A contracted photographer will photograph students in the school during the fall semesters. Parents may purchase the entire package of photos or a partial packet.

Student Records

A student's school records are private and confidential. Student's parents/guardians and certain school officials and workers are the only ones who may see school records without the parent's or guardian's written permission.

Walkers & Bikers

RCSA takes no responsibility for student walkers and bikers. Due to limited sidewalks and high volume traffic in the immediate area, walking and bicycling is strongly discouraged. Parents/Guardians who desire for their child to walk/bike to or from school must submit a written request to the RCSA administration for consideration.

Skateboards, Roller Blades, and Scooters

Skateboards, roller blades, and/or scooters, are not permitted on school property.

School Sponsored Activities

From time to time, RCSA administration may organize or sponsor off-campus activities. Unless otherwise specified by the administration, all school rules are in effect in any such school sponsored activity. Eligibility to participate in such programs and specific policies will be determined and announced by the administration as needed.

Book-Bags, Pencil Bags, Roller Bags and Purses

Students may use book bags to transport only school materials to and from school. During the school day, however, RCSA requires that all book bags remain in students' lockers. Roller bags are **NOT ALLOWED** to be used in the building. All book bags must be small enough to fit easily inside the locker.

Only handheld pencil bags and handheld purses are permitted in the classroom. Please see below guidelines.

Emergency Drills

Regular emergency preparedness drills will be held throughout the school year so that students will be trained to act properly in an emergency. These drills will include fire, tornado, and other crisis emergency drills. A comprehensive emergency preparedness plan is on file in the office.

Lost & Found

Personal items that are found should be turned in at the lost & found area near the cafeteria. Any items left in the school facility will be placed in lost and found. Students should check the lost and found for lost articles. Unclaimed items will be donated to charity every month.

Missing Items

When an item is missing, students should report the missing item to the front office. At that time, the student should complete a Missing Items Form which will permit the item to be returned to the owner should it be found or located.

Should the owner find the item themselves or it be returned directly to them, they should notify the front office as soon as the item has been located.

Home Visits

Researches show that home visits help with both academic and behavioral performance. The overall goal of home visiting is to help strengthen relationships between parents and teachers. Home visiting programs are an effective way for teachers to get parents involved in their child's education and to let parents and children know how much they care. Therefore, RCSA encourages teachers to visit their students at their homes.

Dress Down Days

- Dress down days are privileges that RCSA gives to students for special events.
- Eligible students for a dress down day will be announced by the administration based on individual disciplinary record.
- Students must wear appropriate attire during dress down days.
- Shirts that include negative slogans, skin tight items, revealing clothing, and sandals are strictly prohibited.
- Students must receive permission from administration before participating in a dress down day.
- Students who have multiple violations (Conduct Points) of the student code of conduct will be ineligible for dress down days.
- Students who receive any OSS will be ineligible for dress down days.
- Participating students must follow the RCSA guidelines listed under the section Dress Code.

Payments

Parents may take care of monetary obligations by debit or credit card only using the School Pay system.

Recording Devices - Audio or Video

RCSA prohibits the use of audio or video recording equipment by anyone other than RCSA staff or personnel on the RCSA campus, within the school building, or at school sponsored events (on or off campus) without express written permission from the RCSA Administration. Students found in violation will have their recording device confiscated, and be given an Office Referral Form for

unauthorized recording. Parents or non-RCSA personnel found in violation will immediately be required to leave - if uncooperative, appropriate law enforcement authorities will be contacted to have them removed from the premises.

Student Agenda/Hall Passes

Students must bring their agenda to school daily, and carry it with them to all of their classes. Teachers will issue hall passes to students who have justifiable reasons for leaving the room through hall pass.

It is the student's responsibility to maintain their Student Agenda in the original condition as it was issued:

1. The front and back cover must not be altered or removed - The front cover and back cover must remain attached, and must not be altered, cut, or damaged in any way.
2. Student & Parent Handbook may not be removed - The Student & Parent Handbook section must remain intact as a part of the Agenda so that students and parents may reference the school information and rules at any time.
3. Dated pages may not be removed - Dated pages must remain in the Agenda for student, parent, and administrative reference to past assignments, phone permissions given, and/or hall passes issued.

Should a Student Agenda fail to meet these requirements, it will be confiscated and the student will be required to purchase another Student Agenda. A replacement cost of \$10 will be required for lost or damaged agendas.

Student I.D. Cards

Student I.D. cards are issued to all students for security and identification purposes. Student ID tags will be issued until student ID's issued for each student. Should the safety and security of our students be compromised in any way, a "LOCK DOWN" scenario would occur where outside law enforcement authorities may be required to enter and secure the building – all RCSA staff and students must be able to show proper identification. All students must have their Student I.D. Card with them at all times and present it immediately when requested by school personnel or law enforcement authorities. A replacement cost of \$5 will be required for lost or damaged cards. It is recommended that all students maintain their Student I.D. Card on their lanyard around their neck.

Students whose ID's are not visible may receive conduct points or a referral.

Telephone Calls

Students may not be called from class to talk on the telephone during school hours, nor are they allowed to make outgoing calls except in the most necessary circumstances. As part of an effort to teach responsibility, students are discouraged from calling home for forgotten items. Students may not use

any phone at school other than an office phone – classroom phones are prohibited from use by students at any time. The school does not have

sufficient phone lines to accommodate student phone calls at the end of the school day. All arrangements regarding after school activities must be made before the student leaves home in the morning. Calls of an emergency nature, that may involve the interruption of a class to deliver a message to a child, must be directed to the principal or assistant principal for approval. Students must have written permission from an administrator stating a reason in order to use the office phones between 8:30 and 5:00. We ask that all students please come to school in the morning clearly knowing whether their parents expect them to ride the bus, or be picked up by car in the afternoon. We also ask that parents please know whether or not their children are planning to stay for an after-school activity.

Senior Early Dismissal

Seniors who are part time student may leave after all classes are completed for the day. Seniors must have parent signed permission to leave early. Seniors who do not have classes or teaching assistant positions must leave campus after classes are completed. Seniors cannot wait on campus to pick other sibling up. They must leave and come back to the campus after dismissal to transport younger siblings.

Senior Privileges

Seniors receive privileges during the school year. Leaving the campus early and Sr. dress down for college acceptance are privileges for seniors only.

Parents must sign a permission slip allowing a senior to leave campus when classes are completed. These privileges can be revoked at any time if the student does not adhere to the code of conduct. Any OSS violation will revoke senior privileges.

Senior who get accepted to a Four-Year University

1. Seniors can dress business casual
2. Seniors cannot wear sweat pants or pajama pants
3. Athletic shorts are not permitted
4. NO open-toed shoes

Closed Campus

Students are not permitted to leave campus for any reason unless signed out by a parent/guardian. Seniors will be considered skipping if they leave campus before the completion of their last class of the day. Seniors may not leave for lunch.

Student Parking

Limited student parking is available on campus (open to Seniors first, first-come, first-serve; extra spots will be given to Juniors, first-come, first-serve). Driving to school and parking on campus should be viewed as a privilege and not a right. As such, this privilege may be revoked for academic and/or disciplinary reasons. The purchase of a parking pass by a student establishes a contract in which the student agrees to abide by all of the rules concerning parking on campus and acknowledgement that the parking pass/privilege will be forfeited for violation of the rules.

1. Beginning with the 1st grading period of this school year, juniors and seniors are eligible to purchase a parking pass (opened to seniors first; first come, first served).
2. You must park in the designated area and assigned spot assigned by the School Administrator. Parking in any other space will result in forfeiture of your parking pass and the car will be towed or booted at owners' expense.
3. The parking pass must be displayed on the dashboard, window or rear-view mirror. Any car without a parking pass may be towed or booted at owners' expense.
4. Beginning with the 1st grading period of this school year, any student receiving an "F" in any course will forfeit his or her parking privilege for the next grading period. The forfeiture will continue until the student earns a passing grade in all classes.
5. Parking privileges may be revoked for any disciplinary infraction that occurs on campus.
6. Any students with 4 tardies during a nine (9) week grading period will forfeit his or her parking pass for the remainder of that quarter (no less than two (2) weeks).
7. Any students with 9 or more class absences (per period) per quarter will forfeit his or her parking pass for the next quarter.
8. Any students leaving campus without permission will forfeit his or her parking pass for a period of no less than one (1) grading period. If a student is caught leaving campus without permission a second time, the parking pass will be forfeited for the remainder of the school year.
9. Any student transporting other students off campus without permission will forfeit the parking pass for the remainder of the school year.
10. Students shall not be in the parking lot during the school day unless they have received permission from the Dean's office. Any student found in the parking lot without permission will be subject to disciplinary action AND will forfeit their parking pass.
11. The cost of a parking pass is \$25.00 per semester. If the parking pass is forfeited, the student will have to repurchase a new pass when the parking privilege is restored.
12. If you do not park in your assigned space on campus, your car is subject to a boot lock or towing. A boot lock will require a \$25.00 fee to remove. Towing is at the owner's expense.
13. Only one parking pass per student.

Video or Audio Surveillance

RCSA may use video or audio surveillance to monitor halls, classrooms and common areas, to ensure student and faculty safety. Additionally, this video or audio surveillance may be used for evidence in disciplinary situations, as well as remote viewing or monitoring of various school activities, school entrances and school parking areas. Viewing requests by parents may be refused or limited where viewing would be an unreasonable invasion of a third party's personal privacy, would give rise to a concern for a third party's safety, or on any other grounds recognized in the Privacy Act. No other request of viewing may be honored. Approved viewings must be done in the presence of the principal or designate.

Visitors to the Building

All visitors must first report to, and sign in at, the main office and wear a visitor's badge before going to other parts of the building. The front desk will make a copy of the person ID and it will be placed in the student's folder if necessary. In accordance with school safety guidelines, parent visitors for meetings will have a staff member escort them while on campus. Parents are not permitted to eat lunch with students on campus. Any lunch or student supplies must be delivered to the front office to be collected by students. Parents may also sign-out students to have lunch off-campus (time out of class will be recorded as an absence). Additionally, parent shadowing is not a strategy used at RCSA. For feedback about your child's progress, please contact the grade level Team Leader for a parent conference.

Materials Distribution

RCSA has a "closed forum" relative to the distribution of materials or posting such materials on school grounds or property. It is for this reason that flyers, brochures and/or other materials may not be handed out on campus prior to, during or following the school day. Unless it is approved by the administration, distribution, selling, ordering and consuming external food items or goods are prohibited, and will be confiscated.

CORRECTIONS AND/OR MODIFICATIONS TO THIS HANDBOOK

RCSA reserves the right to make changes or modifications to this handbook as needed throughout the school year. Changes or modifications made during the school year will be announced by email, phone text, or weekly newsletter. The latest version will always be available on our website at www.rivercityscience.org
