The screenshot shows the Khan Academy SAT Practice website. At the top, there is a navigation bar with 'Subjects', 'Search', 'KHANACADEMY', 'Donate', and 'Sign in / Sign up'. Below this is a banner for 'Official SAT® Practice' with a prominent green 'Start practicing' button. Below the banner, there is a section titled 'Personalized practice, anytime, anywhere—for FREE.' with two icons: one for 'Practice tests and more' and another for 'A tailored practice plan'. Below this, there are two main sections: 'Log in to Khan Academy with' and 'Start learning on Khan Academy'. The 'Log in to Khan Academy with' section has buttons for 'Google' and 'Facebook', followed by a 'Log in to your Khan Academy account' section with input fields for 'Email or username' and 'Password', and a 'Sign in' button. Below the 'Sign in' button are links for 'Forgot password?' and 'Create a new account'. The 'Start learning on Khan Academy' section has a 'Sign in with Gmail' button and a 'Sign up with email' button. Below the 'Sign up with email' button is a text box: 'By clicking "Sign up", you agree to our Terms of Service and Privacy Policy.' At the bottom of this section are links for 'I'm a teacher | I'm a parent' and 'Already have an account? Log in'. Two black arrows point from the 'Start practicing' button to the 'Sign in' button and from the 'Sign up with email' button to the 'Sign in' button.

If not already done so, students will need to CREATE A NEW ACCOUNT.

Students will need to verify the Khan Academy Registration using the email they used to register their accounts.
