Re: SAT Saturday Study Program
Fee: \$5 for each Saturday study session

Greetings and Welcome to SAT Study Program

This letter is to inform you that RCSA will begin to provide Saturday SAT study sessions. The school is committed to providing tutorials to ensure that students will have the skills necessary to be successful on the SAT which will be on **April 9, 2018**; this testing session will be held at our school site. RCSA has arranged tutoring sessions to help your child starting **November 17th, 2018 until April 6th, 2018**. Session will not be held during Thanksgiving and Winter Break holidays. Our teachers are dedicating their time for these tutorials, so it is very important that your child attends these sessions.

Our SAT Program is a highly intensive study, and because of its nature, students are expected and required to keep up with problem solving, readings, and study. The students will be able to check their own progress through the answer key provided to them.

The tutoring will be held as shown below. Please reach me at 904-855-8010 or e-mail me cozdil@rivercityscience.org if you have any questions.

Program Schedule (Saturdays)

9:00 am – 10:20 am: Math Study

10:30 am – 11:50 am: Critical Reading Study

12:00 pm : Dismiss

Tutor contact: Mrs.Lavell plavelle@rivercityscience.org

We have limited spaces; first-come-first-serve rule applies.

Students need to be picked by 12:10 pm latest. If not, students will be asked to leave the campus.

Student Responsibilities

- Because of the optional nature of the program students are required to keep up with the workload.
- For better results students are recommended to take the SAT Study Program seriously and adopt a study time when away from school as well.
- **All other school rules apply.**

Thanks for all you do as parents in education.
